NOTES AND ORDERS

The indifference of the people and the inconvenient date fixed for election may both have contributed to the result The latter reason is adduced as the inhabitants represented that the intended ~~[illegible]~~ election might be deferred till the people who had ~~[illegible]~~ gone away from the town owing to plague had reoccupied it It is submitted that the election would not have been unfruitful in the 3 by cases if the election was held in a more favorable season Since the people have evinced some interest in the matter by presenting petition ~~[illegible]~~ urging the rectification of the list of voters candidate It will be seen that at the election held only 106 out of 804 voters were present though more than twice the no (256) no ~~[illegible]~~ present attended the election in 1913 and only 13 voters were present for the 1st & 4th Division Under these circumstances it may be worth while considering ~~[illegible]~~ whether the By Comm may be requested to hold another election to fill up the three seats under reference Draft notification in conformance of the proposals of the By Comm is however put up for consideration

I wish you will try your round at drawing up a calendar for ambas, but DO I should 'Nev you will realize the impracticabl of your proposal

4) It is desirable ~~that~~ to arrange for ~~the~~ ~~first~~ reconstitution of each Municipal Council to be effected at the beginning of an official year instead of any intermediate date whatsoever

5) As each Council sits for 3 years, the Municipal Councils in the State would then be divided into three batches, the electors in each batch coming up in a single year

6) Further, the new Council would be able to have a reasoned policy from the Commencement of its wardenship, instead of ~~having~~ finding itself in the midst of a year

5) In order to make a beginning to secure this and also to enable the ratepayers of an important town to like Davengere to have another chance of electing their own representa it is submitted that the Dy Comr may be requested to arrange for another election for the 3 ~~vacancies~~ available ~~seats~~ places on the Councils which may be informed at the same time that Govt will have no objn to extn the term of the present Council till the end of June 1916 (under Sec 17 Mun Reg)

7) The 2 Councillors already elected

S I R,

I have the honor to state that the term of office of the existing councillors of the Davangere Municipality constituted under Government order No 8445/M1 28-12-18 dated 23rd April 1913 expires on 23rd April 1916. The Sub Division Officer and President of the Municipality who was asked to take needful steps to re-constitute the Council now reports that a general election was held on the 24th January 1916 A statement showing the results of the election is enclosed

The results of the election were declared at a special general meeting held on 2nd February 1916 and it was found that only two persons were duly elected The number of elected councillors fixed for this Municipality is 5 and the election has been infructuous in regard to three seats These 3 vacancies have to be filled by nomination by Government (Vide section 9, clause 2 of the Municipal Regulation) A statement in the prescribed form showing the names &c of persons elected and of those proposed to be nominated or appointed is also submitted herewith along with a copy of the Municipal Council's resolution dated 2nd February 1916

In this connection it may be stated that some of the townspeople presented a petition similar to the one received with your official memo No 5714/M1 40-15-13 dated 5th February 1916 regarding the

present election and it was sent to the Sub Division Officer, Davangere for report (vide enclosed copy of this office docket No. 1285 of 16th January 1916)

However as the allegations which mainly refer to the irregularities in the publication of the list of voters and candidates are not tenable according to Rules, I request that the proposals to reconstitute the Council may kindly be sanctioned and the necessary notification ordered to be published in the Gazette.

Enclosure Docket 7-15-16 (8)

Docket No.1285 dated 16th January 1916 from the Deputy Commissioner, Chitaldrug, to the Sub Division Officer and President of the Davangere Municipality, Davangere.

In forwarding herewith a petition from Maganahalli Rudrappa and other residents of Davangere town protesting against the due publication of the voters list in connection with the coring Municipal election, has the honor to state as follows -

The main allegations contained in the petition are (1) tha the voters' list was not properly revised and published and that it contains the names of persons who have either died or left the station (2) that the names of persons who are actually living in the Municipality are omitted (3) that there should be more elected councillors for the Municipality taking into consideration the present population of the town (4) that the present intended election may be deferred till all the people who have left the town on account of plague reoccupy the same

As regards the allegations Nos 1 and 2, the petitioners representation cannot now be heard as they have applied to the Municipal Council in time for the revision of the list and have not preferred an appeal for the amendment of the voters list within 10 days from the date of the decision of the Municipal Council with regard to their objections (vide clause IV and V of Rule 9 of the Election Rules of 1909). It is however worth considering if the voters' list is so very inaccurate as the petitioners allege

It is however not clear whether as required by Rule 11 the election has been notified by the Deputy Commissioner

The undersigned would be glad to be informed how far the suggestion that the number of elected rembers should be increased is worthy of adoption so that steps may be taken in due course
